BFA GRAPHIC DESIGN

Originally enrolled in the Art Institute of Tennessee Nashville for an A.A., after one year I switched over to a BFA. Best decision I ever made!

VANDERBILT CREATIVE SERVICES

After graduation, I made a transition from my position as an intern at Vanderbilt Creative Services to a temporary Graphic Designer. I initially worked part-time but eventually worked full-time creating logos, infographics, brochures and variety of work.

RARISTA

I worked full-time as a Barista at Starbucks in Smyrna, TN. Our store was one of the busiest in our district, requiring a high level of organization and interpersonal skills.

I loved the environment and truly enjoyed working with such amazing people.

RAMSEY SOLUTIONS

Contract position with Ramsey Solutions in Brentwood, TN. I worked closely with the marketing team to create assets for the EntreLeadership blog, social media, and podcast.

Some of my responsibilities included creative writing and designing and budgeting for print projects.

FIRST CRUSH awe

Loved watching Lois & Clark with the fam. Had a serious crush on Superman/Dean Cain.

VANDERBILT INTERNSHIP

Started June 25th as a Graphic Design intern with Vanderbilt Creative Services. I contributed as an inhouse designer to produce posters, brochures and mailers. I created layouts and typeset for Vanderbilt publications as well.

DATE WITH DESTINY

Blind date at a coffee shop with the man who would later become my husband. After seven hours our afternoon coffee date turned into dinner. Neither one of us was ready for the date to end.

GOT MARRIEDI 🎔

Whoo! Had a beautiful wedding in a historic home in downtown Franklin, TN.

FREEL ANCE DESIGNER

I currently work as a freelance designer creating resumes and print materials. I've done a variety of work including event set-up, and product photography
